Some important items to note:

- The actual percentage you earn depends upon the total amount you spend per month. The contribution is calculated as follows:
 - 1% on monthly purchases between 0 and \$400.
 - Plus 2% on monthly purchases between \$400 - \$600.
 - Plus 3% on monthly purchases between \$600 - \$750.
- The contributions to your account take several months to post. For example, today's purchases will not post until January 2005 after the final trip deposit is due. Please factor this into your fund-raising plans.
- You can sign up friends and relatives' Genuardi's Club Cards to be deposited into your account but you must provide us with the card holders' names and your student's name so we know whose account to credit.
- You may also register your Credit Cards and use eScrip participating merchants to earn additional fund-raising dollars. See the eScrip website for details.
