

Scholarship and Grant Application

The Tredyffrin-Easttown Music Parents Organization (TEMPO) offers scholarships and grants to students who have participated in the music program at Conestoga High School and who plan to make music a part of their college experience. To be eligible for a scholarship, a student must plan to major in music, musical theatre, or a related field at university. To be eligible for a grant, a student must plan to make music or musical theatre a part of his or her college experience, without majoring in those fields (*e.g.*, an expectation of participating in an *a cappella* choir, ensembles, musical productions, marching band, etc.).

There are two programs available: the Choral and Instrumental. Grants and scholarships are available for each. To be eligible for the Choral Scholarship or Grant, you must have participated in Conestoga's choral program. To be eligible for the Instrumental Scholarship or Grant, you must have participated in a curricular activity such as the orchestra, concert band, or any of the instrumental ensembles. While participation in extra-curricular activities such as Marching Band, 'Stoga Music Theatre, or 'Stoga Theatre (including cast and crew) are not qualifications in and of themselves for either a Choral or an Instrumental scholarship or a grant, applicants are encouraged to include participation in them among their discussion of their activities at Conestoga.

The Instrumental Awards are named in honor of Anton F. Kiehner, a long-tenured music director at Conestoga. At his retirement music alumni, parents, and friends contributed to a fund that is the source of those scholarships and grants. The Choral scholarships and grants are funded by TEMPO.
